

Mobile Interconnect Wholesale Customer Notices

01/06/22: JERSEY MTRs

On 01/06/22 the regulated Mobile Termination Rate ('MTR') on Airtel's Jersey network will reduce from 1.1ppm to 0.7ppm. The MTR applies to all call termination services provided by Jersey Airtel Limited in respect of voice calls which originate on a public electronic communications network (whether fixed or mobile) and which are terminated to a mobile number within a number range allocated to Jersey Airtel Limited for which Jersey Airtel Limited is able to set the call termination charge, as defined in the JCRA's Decision on Mobile Pricing published on 17 February 2020 with document number 20/04.

<https://www.jcra.je/cases/2018/t1394gj-mobile-termination-rates-2018/mobile-termination-rates-final-decision-jersey/>

Mobile termination rates are applicable to the last leg of the call, which is from Jersey Airtel switch to Jersey Airtel customer's handset. Depending on the nature and origin of a call, there are a number of other services that support the conveyance of a call to Jersey Airtel's customers, including call origination, carriage and transit which attract different charges as per the commercial agreement.
